

Southern Irish Terrier Society Open Show - Sunday 15<sup>th</sup> June 2014

## **Judges Report – Kiera Bentley- Mouat (Newguild)**

I was very pleased to be asked to judge this show at the lovely venue of The Royal Victoria Country Park, I do hope this show will continue to be held here. The weather was rather dubious but I am pleased to say the quality of dogs was not. Thank you for bringing your dogs for me to judge, it was lovely to see new exhibitors and encourage novices as well as the more experienced.

I was delighted to see good mouths, feet and coats. Overall I think movement has improved as I saw less exaggerated high knee action and more correct straight moving true to type without being strung up or bounced about.
