

SOUTHERN IRISH TERRIER SOCIETY NEWSLETTER

The Game Fair Events

This year the Irish Terriers have already attended the Burghley Game Fair and will be represented at the CLA Game Fair at Blenheim, Warwick, Wiltshire and Sandringham Living Heritage Game Fairs. We have a booth or stand at these events, with our display boards to show people ITs in pictures together with information about the breed. The stand is manned by owners who bring their IT's along to meet and greet their admiring public. Burghley was a great event with several taking part. There is always a lot of interest in the breed, so if you are interested in volunteering at any of the events for a morning or afternoon with your Irish Terrier, please let us know.

THE WINTER BREED WALK

This year the breed walk was held at Blewbury village. It was a well-received event and we had 40 or so ITs and honorary IT's accompanied by their owners. On the 28th of December we all met up by Savages Nursery, we had a great walk then finished off the day at the Style Acre Tea room where the staff had supplied a selection of cakes, tea and coffee for us to purchase. They had also very kindly arranged picnic tables for our use. I must say it was rather pleasant sat there after the walk with the dogs, with a warm drink in the sun "chatting". The Style Acre Tea room is an Oxfordshire based charity supporting adults with learning disabilities and autism. All money's raised on the day were donated to Style Acre charity.
